17 June 1959

MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 3 to Contract No. PF-400
with Granger Associates, Palo Alto, California, Project
CHALICE.

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. PF-400 covers the procurement of a prototype Radar Repeater Jammer and assistance in the flight testing thereof. Amendment No. 3 provides for the furnishing of additional services at the flight test site and also settles the termination of Item 2 of the contract. A Memorandum for the record is attached outlining the negotiation and reasons for this amendment.

3. Amendment No. 3 decreases the total obligation under the contract by the amount of \$455.51 chargeable to Fiscal Year 1959 Project CHALICE Funds. By concurrence to this memorandum the Comptroller signifies that funds have been adjusted as provided above.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) see 85-507 dtd. 7/7/58) for each contract.

5. Concurrence in Amendment No. 3 to Contract No. PF-400 is recommended.
